# Superintendent's Message

The greatest challenge to the youth of our land is to have a common understanding of the past and have the ability to accept the good and thwart the bad. Youth should select the ideal as a goal of life and then through constant effort and rigid determination endeavor to achieve this objective. The most useful characteristic of an individual in acquiring success is his ability to think clearly, concisely, and independently on any problem. The destiny of our Democratic America and Democratic World rests upon the development of youth today into a citizenry capable of independent thinking, common understanding, and sound judgment.

DON OWENS and ROYAL LOWERY

The 1953 Tigers established a record unsurpassed by any previous team in our school's history. Not only were they undefeated in regular season play, but unscored upon on their home field. As the scoring columns were totaled at the season's termination, it was easily determined that the 183 points scored to the opponents' 43 was undoubtedly a splendid record.

been complete
without you. Wish

years. Lets keep it so.
Best of everything -

Dear Dan,

I have enjoyed
very much going to
school with you. You have been
a swell friend. After I
graduate and am making
my first fortune, I shall
always look back and
remember the laughs
I got from you. I wish
You the best of everything
in the future. Take care
of ole F. H. S. for me.

Oneal.

Dear Dan,

I have really enjoyed
going to school with you

because I'll be your friend if you
get rich and/or lot of really money!
I wish you the best of everything!

Bon Jones

My Darling Dan,

My heart breaks
when I think of
having to leave
you this year.
My only consolation
is that maybe
I shall get a glimpse
of you occasionally
walking in the
crowd. I'm sure
you will never
forget me as I am
truly one of your
dearest friends. My
heart bleeds for you.

Your Lover
And Always,
"The Blond
Bombshell"
"Bee."

P.S.

Dan.

Well. its been great fun (but of course you knew that). I'll miss you quite a bit when I'm in Hollywood but that's my fate. But Dan when I'm a big success I'll think of you and all our swell times every moment I ever spend with you and your manly chest.

And Dan, do think of me occasionally as I will you.

Really, I have had fun with you and I'm planning on more.

Love and kisses
